**Northeast Shrine Association**  
**Fall Field Days 2010**

We are past a very successful Ceremonial and a busy and successful Imperial Sessions; now we must turn our attention to the next big travel event. This year the Fall Field Days will be held in Halifax, N.S. September 16 – 18, 2010. The committee from Philae Temple has put in a lot of work and the events planned look to be down east entertaining. From the Dinner on the Historic Citadel Hill to the kitchen party there will be fun had by all.

The Divan is recommending the Temple Dinner be held in conjunction with the event planned on Citadel Hill. The committee has assured us that the Temple will be seated together. There will be guided tours available and beverages will be at favourable military pricing. It will be a great opportunity to see this Historic complex on our own.

Tunis has secured rooms in the main hotel, the Harbour Front Marriott. Everything is within easy walking distance with all Hotels being used and the Casino linked by enclosed pedways. Where necessary for some of the events (especially Citadel Hill) there will be bussing available for those who can't walk to the venue.

The Parade route looks good and the staging area will be a short walk from the Hotels. The pricing is detailed in the Registration Form included in this edition of the Shereef. If you choose not to drive, transportation from the Airport is good either via bus or if you can share, via Limousine service and once at the hotel a car will not be required to access an historic shopping district and many other attractions. **NOTE TO CLUBS AND UNITS please advise if you are bringing any of your toys so that the Temple can make appropriate transportation arrangements.**

**Reservations must be received by the office no later than August 15, 2010**

**Transportation needs must be identified to John Hawkins**

I look forward to seeing you in Halifax.
